**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic as my ISP provider because it is a local company that is able to not only give great service, but is also a great local employer. It is a company that gives back to the community and believes in the customers right to privacy, something very important to me. Theyre rates are competitive with the bigger corporations but when you call for service with Sonic, youre talking with youre neighbor not a nameless voice in another country or a computer voice telling you what button to push. Please make sure our choices are not taken away.
